● - Not Too Far Away

Entry Fee

All events are \$58.00 per player for VSGA members unless noted with a diamond above. Non-VSGA Members can participate for a fee of \$68.00 or 78.00, depending on the tier of the event. Includes golf cart, green fees and prizes.

Entry Requirements

Open to men and women of all ages (juniors age 17 and under must have a disclaimer signed by a parent/guardian). Participants must (i) hold an active GHIN number issued by a licensed VSGA Member Club in good standing and (ii) comply fully with USGA Rules of Amateur Status. Non-members will only be allowed to participate if there are spots available, but will not be allowed to win any prizes. As a condition of participating in each event, each player must sign a disclaimer and release of liability in favor of the VSGA.

Format

One-Day Events, One-Person Qualifiers and Championship - Individual Stroke Play with full Course Handicap, flighted based on age.

Two-Person (Four-Ball) Qualifiers and Championship - Both partners play their balls into the hole, the better-ball score of the two is used for each hole. Each team will compete against other teams in a respective flight. Flights will be determined based on combined Course Handicap and tees will be determined based on age. Men will receive 90 percent of their Course Handicap and women will receive 95 percent of their Course Handicap. Should the difference in the Course Handicaps of the two players on a side be more than eight strokes (after allowances), an additional 10 percent reduction will be applied to the Course Handicap of each member of the side.

Stableford Scoring - Several events are designated as stableford scoring events. Gross and net scores for each hole are translated into points based on the number of strokes taken at each hole.

Ladies Flights - Several events are designated to include a Ladies Flight. At each of these events, there will be a separate flight for women.
